## **BIOTERRORISM ACT/FOOD DEFENSE STATEMENT**

Greenwood Associates, Inc. and Chicago Processed Fruit Group, LLC appreciate the opportunity to provide you with information relevant to our food security programs. Our manufacturing facility is regulated by the Food and Drug Administration (FDA) and subject to registration with the FDA in accordance with the Public Health Security and Bioterrorism Preparedness and Response Act of 2002 (Bioterrorism Act) and the FDA Food Safety Modernization Act of 2011 (FSMA). As of October 7, 2016, our facilities are current with registration requirements for both the Bioterrorism Act and FSMA. Greenwood Associates, Inc. and Chicago Processed Fruit Group, LLC have also confirmed that all of our suppliers have complied with the above registration requirements, where applicable. The manufacturing side of our business, Chicago Processed Fruit Group, LLC is certified using the FSSC 22000 standard.

Because the disclosure of our specific food defense and security procedures would jeopardize our ability to sufficiently secure our process and our stakeholders, Greenwood Associates, Inc. and Chicago Fruit Processed Group, LLC keep the details of our program and the FDA registration number strictly confidential. Our manufacturers abide by our strict supplier approval process and requirements to have tamper evident packaging. Greenwood Associates, Inc. and Chicago Fruit Processed Group, LLC seek to continually improve our operations in order to maintain safe and secure products.

If you have additional questions or concerns, please do not hesitate to contact me.
