

Ambient Shipment Quality Guarantee

Greenwood Associates Inc. guarantees the quality of our product throughout ambient shipment provided that the following conditions are met:

- Ambient temperature is at or under 70°F for the duration of transit, not to exceed 24 hours from point of shipment to point of receipt.
- Product containers are to be maintained closed and sealed at all times.

Should the shipment fail to meet any of the above conditions Greenwood can no longer guarantee the product, and recommends that tests are conducted for organoleptic elements and spoilage organisms (Yeast, Mold, Total Plate Counts.)
